Telehealth procedure codes for COVID-19
For Blue Cross (commercial) PPO, Medicare Plus Blue^{SM} PPO, BCN HMO^{SM} (commercial) and BCN Advantage^{SM} members
Revised Dec. 10, 2020

This document shows the procedure codes associated with covered telehealth procedures **during the COVID-19 pandemic** and indicates cost sharing per line of business.

- **Blue Cross (commercial) PPO and BCN HMO (commercial) members:** **Cost sharing applies for dates of service on or after July 1, 2020.**** We waived cost sharing temporarily for dates of service March 16 through June 30, 2020.

- **Medicare Plus Blue PPO and BCN Advantage members:** **Cost sharing is waived for dates of service March 16 through December 31, 2020.** Beginning Jan. 1, 2021, our Medicare Advantage plans include $0 cost share for primary care provider and behavioral health telehealth visits as part of their 2021 coverage.

Note: We cover additional services not listed in the codes below through telehealth under the Blue Cross and BCN *Telemedicine Services Medical Policy.* These additional services require standard member cost sharing.

Procedure codes covered via telehealth during COVID-19 – All lines of business

Place of Service (POS) – During the COVID-19 pandemic, providers can use POS as if the service was furnished in-person instead of using POS 02.

Modifier – Use modifier GT or 95 to indicate that the service was performed via telehealth.
